The purpose of the procedure set forth in this section is to allow for examination and discussion of any grievance, as defined in Part A(1) of this Article.

This Grievance Procedure is the only procedure that will be used to address claims by bargaining unit member(s) that this contract has been violated.

C. Procedure:

1. Time Limits - The time limits provided in this Article are mandatory and are to be strictly observed. If the Association or Grievant does not move the grievance according to the outlined procedures, then the grievance may not advance to the next level and the grievance shall be considered withdrawn. Every effort should be made to expedite the process; however, time limits may be extended by mutual agreement.
2. Verbal Conference - In the event the paraprofessional feels he/she has a basis for a grievance, he/she shall first discuss it with the principal within five (5) days from the time of the incident over which the paraprofessional is aggrieved. The paraprofessional may request to have a union representative present at this discussion in an attempt to resolve the problem.
3. Step One - If, after the verbal conference the paraprofessional still believes the grievance is not resolved, the matter shall be reduced to writing by the grievant and submitted to the principal within five (5) days of the verbal conference. Within five (5) days after the presentation of the written grievance, the principal shall give a written response to the grievant.
4. Step Two - If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made by the principal in the time provided, the grievance shall be submitted to the Superintendent or designee within five (5) days. Within five (5) days after receipt of this grievance, a meeting with the aggrieved paraprofessional and a maximum of three (3) representatives of the Association with the Superintendent or designee shall be scheduled in an effort to resolve the grievance. Within five (5) days after the hearing, the Superintendent/designee's disposition, in writing, of the grievance shall be returned to the grievant.
5. Step Three - If the grievance is not resolved at Step Two, the Association may refer it in writing to the Michigan Employment Relations Commission for mediation. The mediation must be held within 45 days, unless the mediation is delayed upon mutual agreement of the parties.

And
CHARLOTTE PARAPROFESSIONAL ASSOCIATION, MEA/NEA
JULY 1, 2021 – JUNE 30, 2023**

6. **Step Four** - If the grievance remains unresolved at the conclusion of Step Three, the Association may refer it in writing to the Board of Education within five (5) days after the receipt of the decision at Step Three. The Board shall hold a hearing on the grievance within ten (10) days or designate one (1) or more of its members to hold a hearing within that time period. The Association shall have an opportunity to present its views at this step. Within five (5) days of this meeting, the Board shall render a decision on the grievance and present it, in writing, to the aggrieved, and to the Association Representative(s).
7. **Step Five** - If the grievance remains unresolved at the conclusion of Step Four, it may be submitted for binding arbitration at the request of the Association, provided written notice of the request for submission to arbitration is submitted to the Board within fifteen (15) days after the date of the Board's written decision at Step Four. Within five (5) days after the date of this written notice to the Board, the Association must file a request for arbitration with the American Arbitration Association unless the parties have mutually agreed to an arbitrator. The arbitrator must then be selected according to the rules of the American Arbitration Association, and the case shall be heard and presented in accordance with these same rules. The Board and the Association shall not be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party.

The arbitrator shall have no power to alter, modify, add to, or subtract from the terms of this Agreement. The arbitrator's power shall be limited to deciding whether the Board has violated the express articles or sections of this Agreement. The decision of the arbitrator shall be binding upon the Association, its members, the paraprofessionals involved, and the Board. The parties may mutually agree to use the American Arbitration Association expedited arbitration procedure.

The arbitration shall be conducted in compliance with the Michigan Uniform Arbitration Act, Act 371 of 2012.

The arbitrator shall hear the grievance, if within the arbitrator's jurisdiction, and shall render a decision, in writing, within thirty (30) days from the close of the hearing. The arbitrator's decision shall be submitted, in writing, and shall set forth the arbitrator's findings and conclusions with respect to the issues submitted to arbitration.

- D. **Costs** - The fees and expenses of the arbitrator shall be shared equally by the parties. All other expenses will be borne by parties incurring them, and neither party shall be responsible for the expense of witnesses called by the other. All arbitration hearings shall
